PROFILE

I am a current student at University of California, Irvine studying full stack development through a weeknight bootcamp. In the duration of my bootcamp experience, I have developed a sense of what is required in the fast paced environment that this role would be in. I am passionate for the industry and know I can excel and adapt to new technologies. I collaborate well with my peers, exemplify quick learning capabilities, and have a comprehensive set of skills to execute any tasks at hand.
